Dear Wayne:

I wanted to write you and offer my most sincere congratulations on the recent renaming of the Tech Building to "Wayne Crooch Hall". This terrific honor is a fitting tribute to your energy, drive and vision that you so capably gave to Umpqua Community College over the years.

My staff and I also wish you the very best of health, Wayne.

Thank you for all you have done for the students and staff of UCC. Stay well.

Warm regards,

Terry Swagerty
